**Historical Note:** Theodore and Anita Mazza were active members of the Italian-American community locally and nationally. The bulk of this collection represents their involvement with the Italian Civic Association, the National Italian American Civic League (later renamed National Civic League), and its successor, Unico National and its Milwaukee chapter. Theodore Mazza was instrumental in the writing of many important documents of the Unico organization. He served these organizations in various capacities, such as secretary of the Italian Civic Association and National Civic League, Unico historian, and as President of Unico National 1954-1955. The Italian Community Center honored Mr. Mazza by establishing the Ted Mazza Community Service Award.

Anita was a president and a secretary of the Italian Civic Association, a charter member and vice president of the National Italian American Civic League Ladies Drill Team, and a secretary and long-time treasurer of Milwaukee Ladies of Unico. The Milwaukee Ladies of Unico honored Mrs. Mazza by naming their scholarship, the Anita Mazza Scholarship. Other areas of their civic involvement represented in this collection are the Pompeii Athletic Club, Italian Community Center, and the Italian American Federation of Milwaukee County. A small amount of personal and miscellaneous material is also part of this collection.

**Access and Use:** Scholarship recipient files are restricted.

**Administrative Note:** The collection was processed on Oct. 10, 1996 by Steve Daily.
