**Abstract:** The Milwaukee County Department of Public Works provided staff and services for the Milwaukee County Expressway Commission during its 26 years of existence (1953-1980).

**Scope and Content:** The collection consists of preliminary plans, progress reports, various traffic surveys and studies for the Milwaukee metropolitan area, as well as studies, surveys, and reports specific to sections of the county freeway system, including Lake, Park, Stadium, Bay, and Belt Freeways and their interchanges, extensions, and bridges.

Part I of this finding aid consists of plans, progress reports, surveys, and studies prepared for or about the Metropolitan Milwaukee area freeway system. There are also photos and slides taken during the freeway construction.

Part II contains an incomplete collection of appraisal report files received from the Milwaukee County Expressway Commission during 1978 and 1979.

Part III deals with unprocessed project numbered boxes received from the Milwaukee County Department of Public Works.
