# FACILITIES USE GUIDELINES

All organizations are eligible for use of Trimborn Farm. All arrangements for facility use and access must be made through the Historic Sites Manager no later than two weeks in advance of the scheduled photo shoot to ensure availability and coordination. As the date of the event nears, the person in charge or a designated representative will need to confirm details with the Event Coordinator so security procedures can be explained and building use can be properly coordinated. Where possible, commercial credits must include Trimborn Farm and the Milwaukee County Historical Society.

## TRIMBORN FARM PARK RENTAL FORMS & FEES:

By completing this permit, you are agreeing that you are not using a professional photographer, nor paying for any photography services. If it is discovered there is false information provided, we have the right to charge you on site for a professional photography permit or end the photo shoot. Failure to fully complete the rental forms will result in delayed confirmation of your event. Once the request is approved, a copy of the rental form with a statement of anticipated charges will be returned to the applicant. After completion of photography, an invoice will be forwarded to your organization (if applicable).

## ADDITIONAL INFORMATION:
