Abstract: The mission of the Milwaukee County Coroner's Office was to provide timely, accurate and legally defensible determinations as to the cause of death of an individual. The office investigated all unexplained, unusual, or suspicious deaths; homicides, suicides, or accidents; maternal deaths following abortion; deaths due to poisoning; or deaths without physician or accredited practitioner in attendance. In 1943, a law was passed transferring those duties to the Medical Examiner's Office.

Scope and Content: The collection consists of coroner's inquests, record books, and death indexes.

Access and Use: No restrictions

Language: English

Notes: Collection was processed by Steve Daily on Feb. 5, 1999
