**Abstract:** The Milwaukee Admirals hockey team was formed in 1970 and played its first season at Wilson Park. The following year, the Admirals began playing games at the downtown Arena. The following year, the Admirals switched to the International Hockey League and became an affiliate of the Buffalo Sabres and Philadelphia Flyers of the National Hockey League (NHL). The team joined the American Hockey League in 2001 (as an affiliate of the Nashville Predators of the NHL) and won the AHL Calder Cup in 2004.
