

Title: Jacobi, Adolph Papers

Reference Code: Mss-3132

Inclusive Dates: 1864 – 1867

Quantity: 0.4 cu. ft.

Location: CV, Sh. 288

Abstract: Adolph Jacobi was a medical student, studying in Berlin, Germany, and Ann Arbor, Michigan.

Scope and Content: The collection consists of six notebooks from classes Jacobi took. They cover subjects such as anatomy, pathology and dealing with malaria. Also included are an article from the *Milwaukee Journal* that deals with doctors from old Milwaukee as well as some loose papers that appear to be more class notes.

Access and Use: No restrictions

Language: English, German

Notes: The collection was donated by Mrs. Alton Rathrick, August 2008.
