School District 6 of the Town of Lake remained District 6 after the city of St. Francis was incorporated in 1951. Thompson, St. Francis Heights, and Willow Glen made up District 6. The land and building, which became Thompson School, was deeded to the School District of the Town of Lake in 1865. The one-room school saw additions made in 1953, 1958, and 1968.

St. Francis Heights School, a two-room structure, was built in 1918 at 3819 S. Iowa Ave. Additions were made in 1931 and 1953. St. Francis Heights School saw its name changed to Faircrest in 1963. It received three new rooms, a storage room in 1967.

Willow Glen School was constructed in 1954 on E. Bolivar Ave., and was dedicated November 18, 1955. By 1968, five classrooms, a kindergarten, and two temporary classrooms were added.
