

Title: Milwaukee Water Works Collection

Reference Code: Mss-2050

Inclusive Dates: 1861 – ongoing

Quantity: 1.4 cu. ft.

Location: WC, Sh. 071

Abstract: From a very early period in the city's history, Milwaukee made several attempts to provide clean water to city residents, but it was not until April 1871 that the Milwaukee Water Works was established, and the utility began operations on Sept. 14, 1874. It is the longest continuously operating water utility in Wisconsin.

Scope and Content: The collection includes articles of association, annual reports, monthly bulletins, reports, abstracts, pamphlets, publications, maps, histories and litigation.

Access and Use: No restrictions

Language: English

Notes: Originally processed by M. A. Dyer, February 2, 2000. Other material added by Kevin Abing and Steve Schaffer.

Arrangement:
