Abstract: Citizens for a Better Environment (CBE) is a not-for-profit organization working to prevent and fight environmental health threats through research, advocacy, lobbying, public education and citizen empowerment. The CBE collection is divided in 2 series. Series 1 includes documents pertaining to environmental issues and Series 2 includes administrative and legal documents.

Administrative Note: The collection was donated to Milwaukee County Historical Society by CBE in 2002. It was processed by numerous volunteers, over many years, under the direction of Steve Daily, Amanda Koehler and Kevin Abing. Series 1 was completed in August 2011. Series 2 was processed by Illiana Zambrano. The collection was fully incorporated in April 2017 by Illiana Zambrano, Steve Schaffer and with the assistances of interns.
