

Title: Friends of Lakeshore State Park Collection

Reference Code: Mss-2498

Inclusive Dates: 2015

Quantity: 000.03

Location: MV, F25

Abstract: The Friends of Lakeshore State Park is a non-profit organization that partners with the Wisconsin Department of Natural Resources and the Milwaukee community to support Lakeshore State Park. Through fundraising, educational programming, events, marketing and membership building, the Friends' mission is to make the park Milwaukee's premier urban lakefront destination for environmental and freshwater education, conservation, recreation and outdoor enjoyment.

Scope and Content: The collection consists of a presentation by Kubala Washatko Architects of Cedarburg, WI, regarding a proposed visitor and education center in Lakeshore State Park. The presentation includes plans, renderings and cost estimates.

Access and Use: No restrictions

Language: English
