Abstract: In 1850, fourteen members of St. Paul’s Parish recognized the need for a church on Milwaukee’s west side. As a result, they organized the congregation of St. James Episcopal Church. Originally, the parish met in a wooden building on the corner of Spring (now W. Wisconsin Ave.) and 2nd Street. In 1852, the building was moved to the site of an old cemetery at Spring and 8th streets. The congregation grew steadily, and a new brick, Gothic Revival church was constructed in 1867-1868. The building suffered considerable damage from an 1872 fire, but the church was rebuilt. (It was added to the National Register of Historic Places in 1979.)

Throughout the 20th century, St. James provided numerous services-such as a food kitchen and clothing distribution-and outreach programs to the needy in the neighborhood, but in the latter part of the century, the congregation became steadily smaller as many parishioners moved out of the area. The exodus placed a financial strain on St. James and the church’s maintenance lagged. The church closed its doors in November 2017, and the building was sold to developers to be converted into an event hall.

Scope and Content: The collection consists of church bulletins and other publications, as well as meeting minutes, annual reports, correspondence, programs, newspaper clippings and other ephemera that document St. James’ history and involvement with Milwaukee’s downtown community.

Access and Use: Public (One folder in Personnel and Memberships titled Folder #2 (Box 24, File 7) of Weddings is Restricted due to SSN displayed on Marriage Certificates)

Language: English

Notes: Collection donated by St. James Church, October 2017, and processed by Danielle Burdick, August 2018.

Arrangement: The collection is arranged by seven series: church publications, church organizations, administrative records, financial records, records relating to clergy/personnel/membership, records related to various community outreach programs, and musical/liturgical records.
