Abstract: Albert Porath was born on September 28, 1857 in Meson bei Dabar, Germany. He emigrated to the United States in 1865. His wife, Dorothy, was born in Elmhurst, Illinois on October 20, 1866. They were married on August 15, 1866. Albert worked as a well driller and cistern manufacturer and served at some point in the military. They had eleven children, eight of whom survived to adulthood. The family record was probably compiled by Dorothy M. Porath, the wife of the couple's son Richard.
