

Title: Wisconsin Gun Collectors Association Collection

Reference Code: Mss-1585

Inclusive Dates: 1966

Quantity: 000.03 cu. ft.

Location: Sm Mss

Abstract: The Wisconsin Gun Collectors Association was formed on July 27, 1946, by avid gun collectors around the state. Its purpose was to promote “friendship among and for the mutual benefit of those interested in the collection and possession of arms of all types and their accessories, as well as in their use, and the improvement in the use thereof.”

Scope and Content: The collection consists of the 20th anniversary issue of the association’s annual magazine which features an article on James Lee’s percussion breech-loading rifle.

Access and Use: No restrictions

Language: English
