FACILITIES USE GUIDELINES

All organizations are eligible for use of Trimborn Farm. All arrangements for facility use and access must be made through Milwaukee County Historical Society (MCHS) no later than two weeks in advance of the scheduled photo shoot to ensure availability and coordination. As the date of the event nears, the person in charge or a designated representative will need to confirm details with MCHS so security procedures can be explained and building use can be properly coordinated. Where possible, commercial credits must include Trimborn Farm and the Milwaukee County Historical Society.

TRIMBORN FARM PARK RENTAL FORMS & FEES:

Completed rental form with a full non-refundable deposit should be submitted a minimum of two weeks prior to the first event. **Fees are \$300 for unlimited external use during the months of April through October at Trimborn Farm.** Photos inside the building may be available for an additional fee. The photographer **MUST** contact to confirm all dates they plan to be at the farm. 24 hours' notice is preferred. Photography is **NOT** allowed if another event is on site. Failure to fully complete the rental forms will result in delayed confirmation of your event. You must keep this permit on your person each time you are taking photos at Trimborn Farm.

ADDITIONAL INFORMATION:

Organizations are required to clean up after all photo shoots. All personal items must be removed and garbage must be deposited in the public trashcans on the property. Objects that are the property of Trimborn Farm will not be altered in any way. You are requested to consult with staff before moving any objects. **Only Trimborn staff or those designated by Trimborn staff may move objects in the Trimborn historic collections.** Non-historic objects, such as benches or picnic tables that are moved must be returned to their original positions. Parking is available in the circular drive or the green lawn space between the Jeremiah Curtin House and the Trimborn Farm buildings.
