

Title: American Motors Corporation Collection

Call Number: Mss-2642

Inclusive Dates: 1920 – 1978

Bulk: 1.4 cu. ft.

Location: BV, Sh. 029

Historical Note: The American Motors Corporation Records consist of information and documents relating to the business's property, real estate dealings, and vacations. These records include blueprints, drawings, maps, architectural renderings, office notes, official correspondence, and printed material pertaining to the business's real estate, construction, and improvements as well as public vacations. Material from American Motors predecessors, the Seaman Body Corp., Nash Motors Body Division, and the Nash Kelvinator Corporation is included in the records.

Administrative Note: The collection was donated by Jeff Welsh on August 26, 1991. The collection was processed on March 1, 1999 by Mike Jacobs.
