Abstract: This collection is composed of three distinct groups of material primarily covering the years 1923 – 1925, though some documents date to the 1890’s. The groups are Correspondence (including some letters from the Federated Trades Council), Financial Reports (receipts, bank deposit slips, auditor’s reports, etc.), and general business documents (Union agreements, membership applications, minutes of Meetings, etc.) Of greatest value in the Business documents are the minutes of the Union meetings from March 1902 through August 1936. Also included in the collection are several Union Pamphlets.

Administrative Note: The collection was processed on Feb. 4, 2004 by April Cummings.
