**Historical Note:** Gerald Kops represented Milwaukee's northwest side (the 9th and later the 15th District) on the County Board of Supervisors from 1936 to 1972. He was born in Milwaukee on July 19, 1903. He received his bachelor's degree from New York University in 1926 and then enrolled in the Marquette University Law School, graduating in 1929. Kops unsuccessfully campaigned for a county supervisor spot in 1932, for a county judge seat in 1933 and for a state senate position in 1934. In 1936, he was elected County Supervisor from the 9th District as a non-partisan candidate. During his tenure on the board, Kops served on the legislative, airport, highway, parks-recreations and annuity/pension committees. Ill health forced Kops to retire in 1972, and he died the following year on October 17.

**Abstract:** The vast bulk of the collection consists of newspaper clippings that document Kops' career on the County Board. Some of the clippings are contained in scrapbooks, while others have been microfilmed. Also included are campaign fliers, correspondence, press releases, programs, reports and publications.

**Administrative Note:** The collection was processed in January 2000 by Kevin Abing.
