Manuscript Number: Mss-3022

Bulk: 1.3 cu ft.

Location: See below

Scope and Content: The Milwaukee Choral Artists (MCA) collection is a multimedia collection that documents the group's fifteen-year artist run as Milwaukee's only all female choral group. Founded and directed by Dr. Sharon Hansen, the MCA performed extensively during the years 1998-2013, both locally and throughout the Midwest. The collection is divided into several distinct components. Box 1 consists of event programs for all the group's performances which are filed chronologically in 79 folders. Box 2 consists of assorted promotional materials, event memorabilia as well as many correspondences, primarily letters and cards of support and congratulations to Dr. Hansen. Also included are copies of legal documents regarding the group's application for non-profit status, group by-laws, and a mission statement. The audio-visual component of the collection consists of 3 audio cassette tapes and 48 DVDs of group performances as well as one VHS tape.
