Historical Note: These three inter-related families were prominent in the leather tanning (Pfister-Vogel Tannery) and brewing (Uihlein-Schlitz Brewery) businesses. The families did not limit themselves to these industries, leaving their mark on other aspects of the Milwaukee business scene as well as being members of the upper strata of society.

Abstract: Materials within this collection include correspondence of Joseph and Ilma (Vogel) Uihlein from their European honeymoon of 1904-05 as well as Ilma’s European trip diaries from 1904 and 1914. The latter is notable in that it is written by a German in France just before the First World War broke out.

Access and Use: No restrictions

Language: English and German

Administrative Note: The collection was reworked on April 2009 by Steve Daily.
