

Milwaukee County Historical Society 71st Annual Awards Dinner

Thursday, May 9, 2024
The Pfister Hotel

Sponsorship Information

You're invited to an inspiring night honoring individuals, businesses, and community organizations that have worked diligently to preserve Milwaukee County's history and continue to forge its future.

When you sponsor the Annual Awards Dinner

... you honor stories.

The Historical Society stewards the items that tell Milwaukee's story. Documents, photographs, and artifacts invite us all to learn of those who came before us. Plus, at the event itself you will learn the stories of our inspiring Anniversary Accolade Recipients and Awardees.

... you open doors through education.

Our work allows researchers, genealogists, students of all ages, those new to Milwaukee, longtime neighbors, and everyone in between to explore Milwaukee County's history, helping them find their place in it.

...you build community.

All our programs encourage people to connect with various Milwaukee County spaces, organizations, and neighbors, past and present. Join us at the 71st Annual Awards Dinner to experience this for yourself!

We hope you will join the celebration!

We are excited to honor Les Weil and Jodi Peck as the 2024 Witnesses to History, plus Ken Leinbach, and the ThriveOn King Collaboration, among others.
