

Title: Abstract of Title Collection

Bulk: 49 cu. ft.

Administrative Note:

The collection of abstracts to property in the Milwaukee area organized under street address or legal property description and is divided into two series. Series I represents unsolicited donations and Series II represents transfers from Milwaukee County. Information found in the abstracts can include salesman's descriptions of property, improvements, size, price, construction, etc. This collection contains two databases that can be accessed by visiting the historical society or contacting us via email or by telephone.
