Abstract: The Milwaukee County Employees' Association was an organization of Milwaukee County employees in the classified civil service. The Association was formed in 1919, with the articles of incorporation written in November of that year and the first directors meeting held in December. The Association was formed with the purpose of creating a mutual aid fund for county employees and offering its members a degree of job security and opportunities for career advancement. Membership was completely voluntary and was open to any county employees who had been working in that capacity for at least sixty days.

Scope and Content: The collection contains two booklets, *Functions of Milwaukee County Officials* and *The Annals of Milwaukee County*. The latter is in oversized (OS SM "M").
