Reference Code: Mss-1632

Inclusive Dates: 1920 – 1991

Quantity: 10.0 cu. ft. total

Location: WHS A075-A077

Abstract: The National, State, and Local League of Women Voters were established in 1920, the year women's suffrage was incorporated into the Constitution of the United States. The League was founded primarily to promote informed and active participation by citizens in government. Its basic purposes today are much the same as back then, mainly to foster education in citizenship, to promote forums and public discussions, and to support needed legislation.

Notes: The collection was processed by Paul Geib, June 1991, and added to and revised by Steve Daily, October 1994 and August 2006.
